

Lady Beetle Body

To make:

- Print out template
- Trace the body shape onto black heavy paper or card stock
- Trace wings onto red paper, then decorate with black spots
- Fasten wings to body using bradclips
- Add eyes and antennae

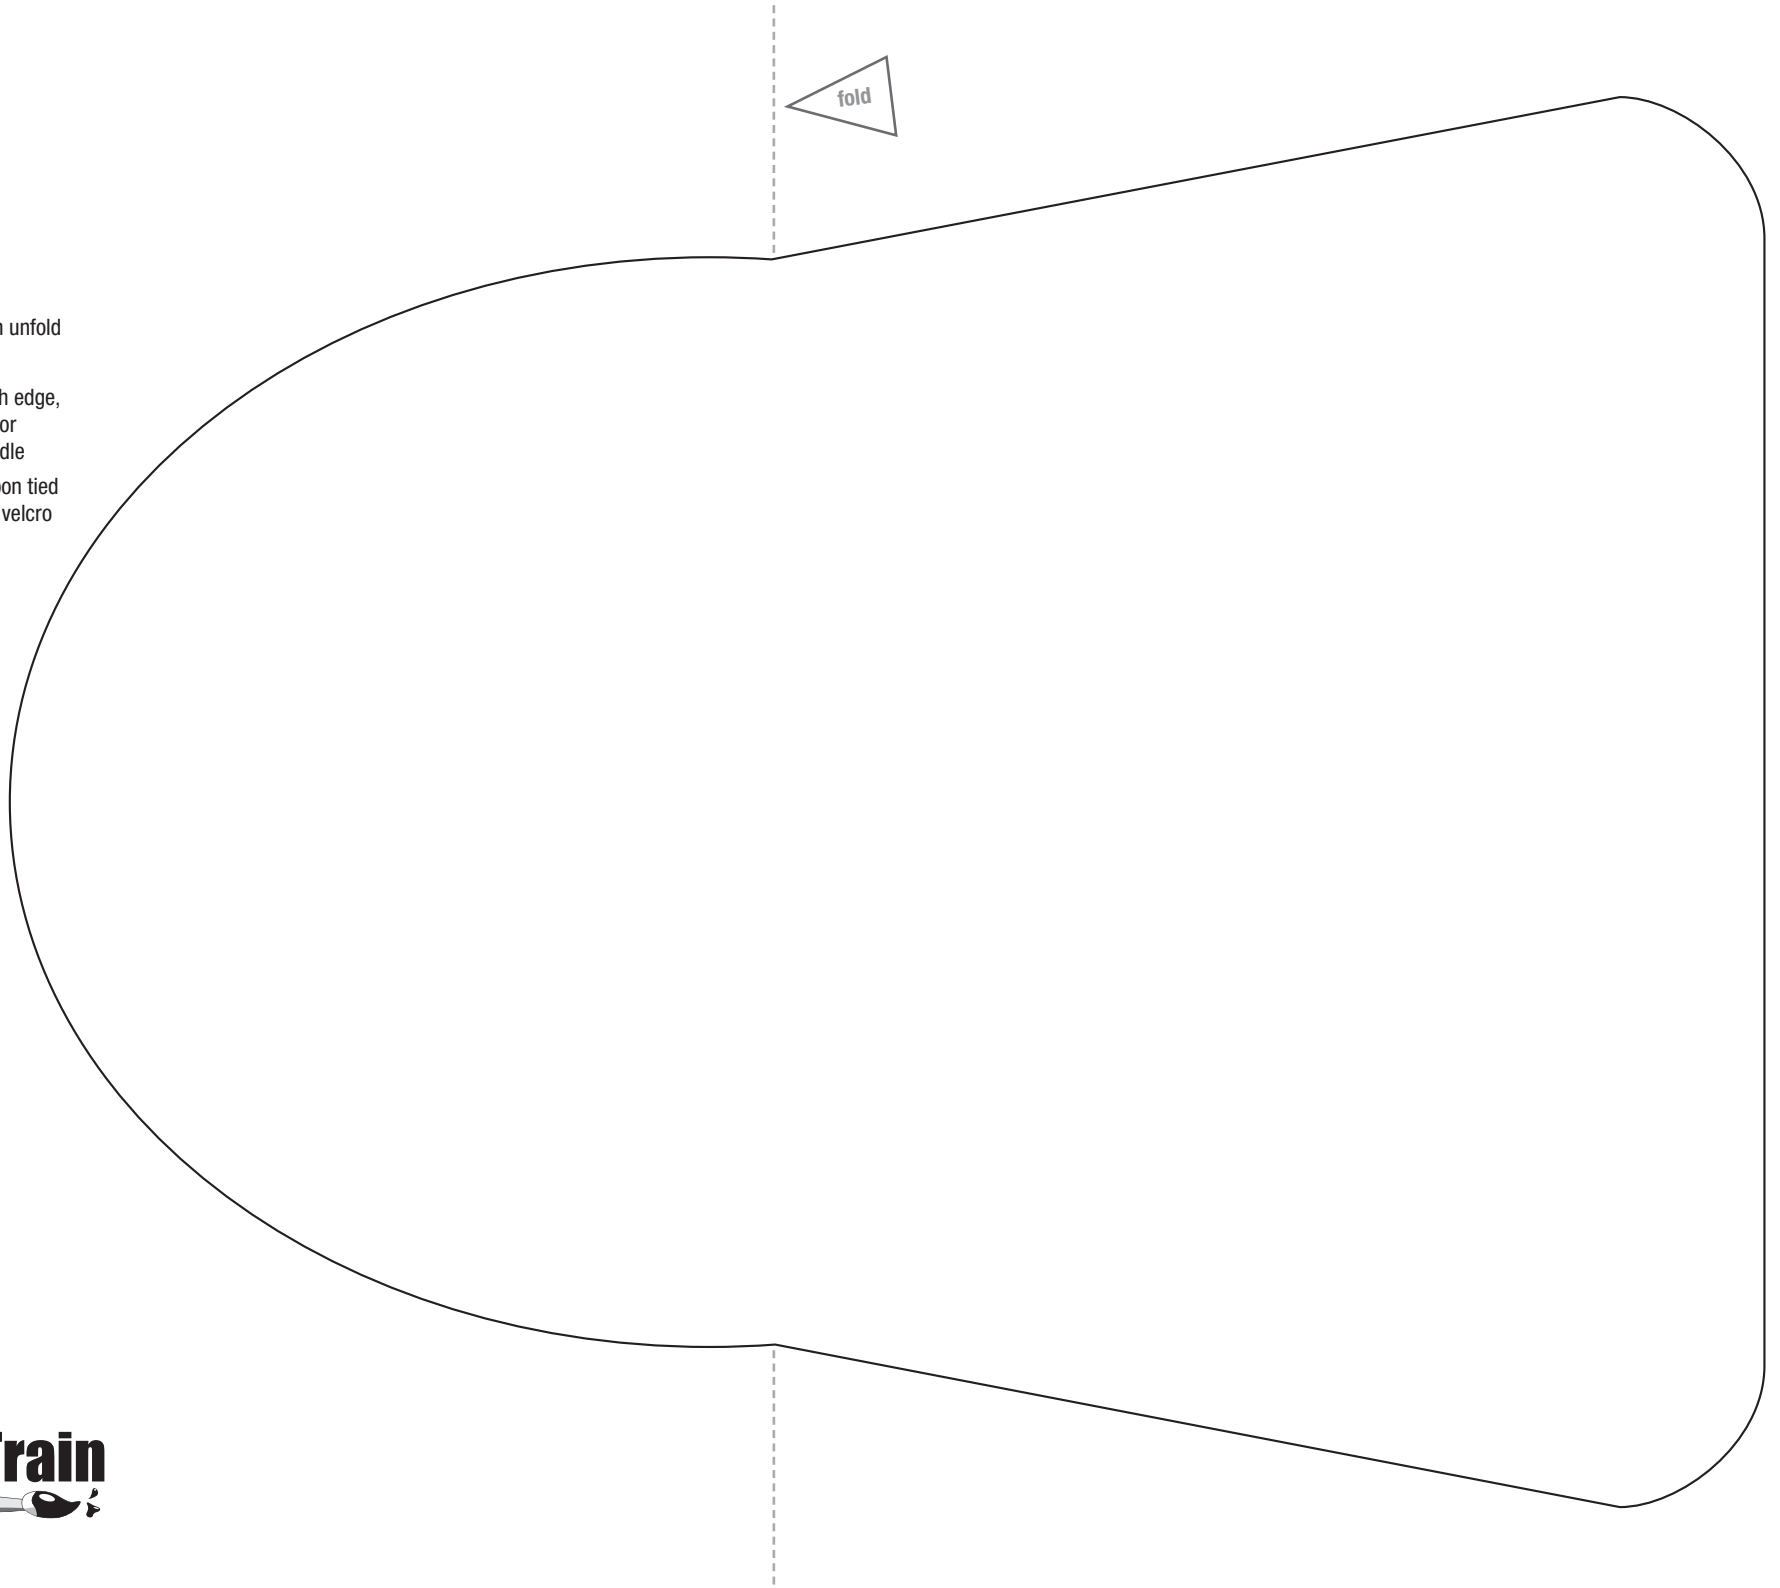

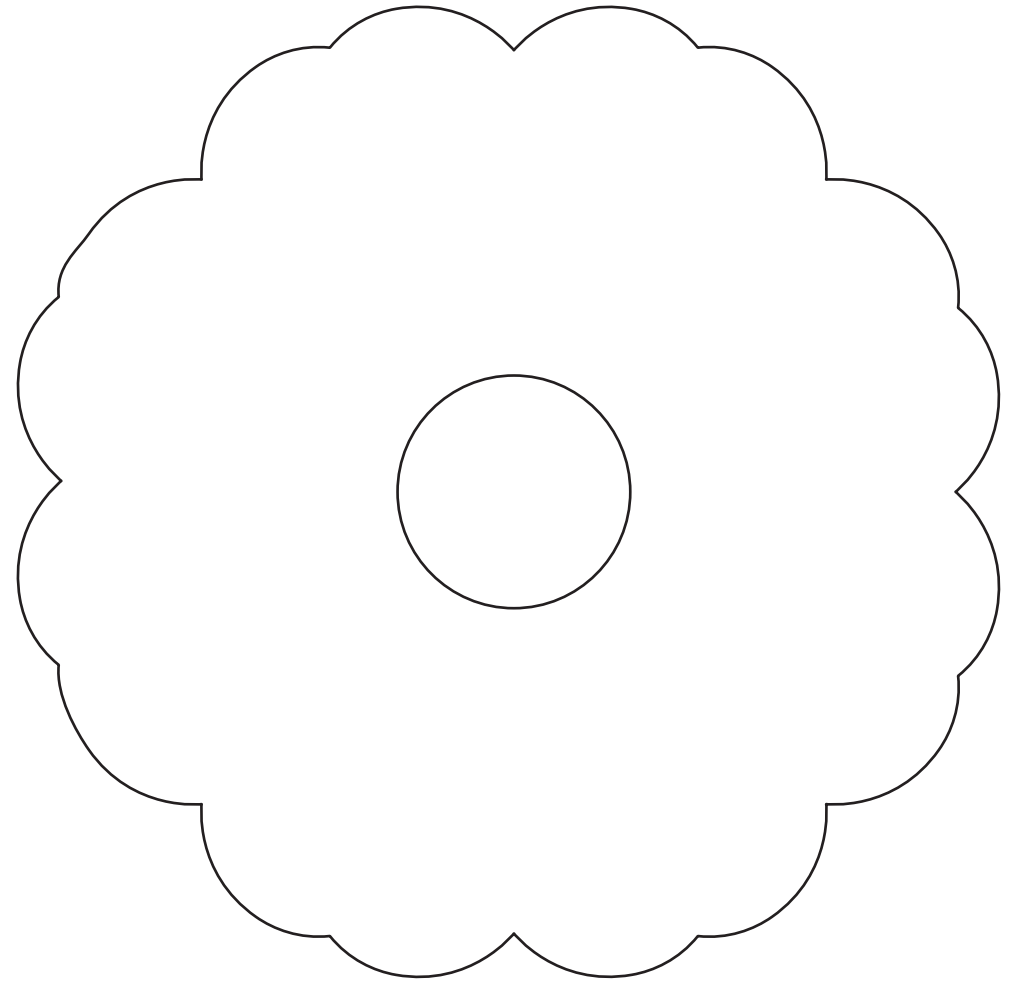

Hand Bag

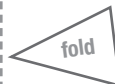

To make:

- Print out on heavy paper
- Fold along dotted line, then unfold
- Cut out shape
- punch holes on fold at each edge, then thread and tie ribbon or pipecleaner to make a handle
- Fasten flap with either ribbon tied through punched holes, or velcro sticker spots

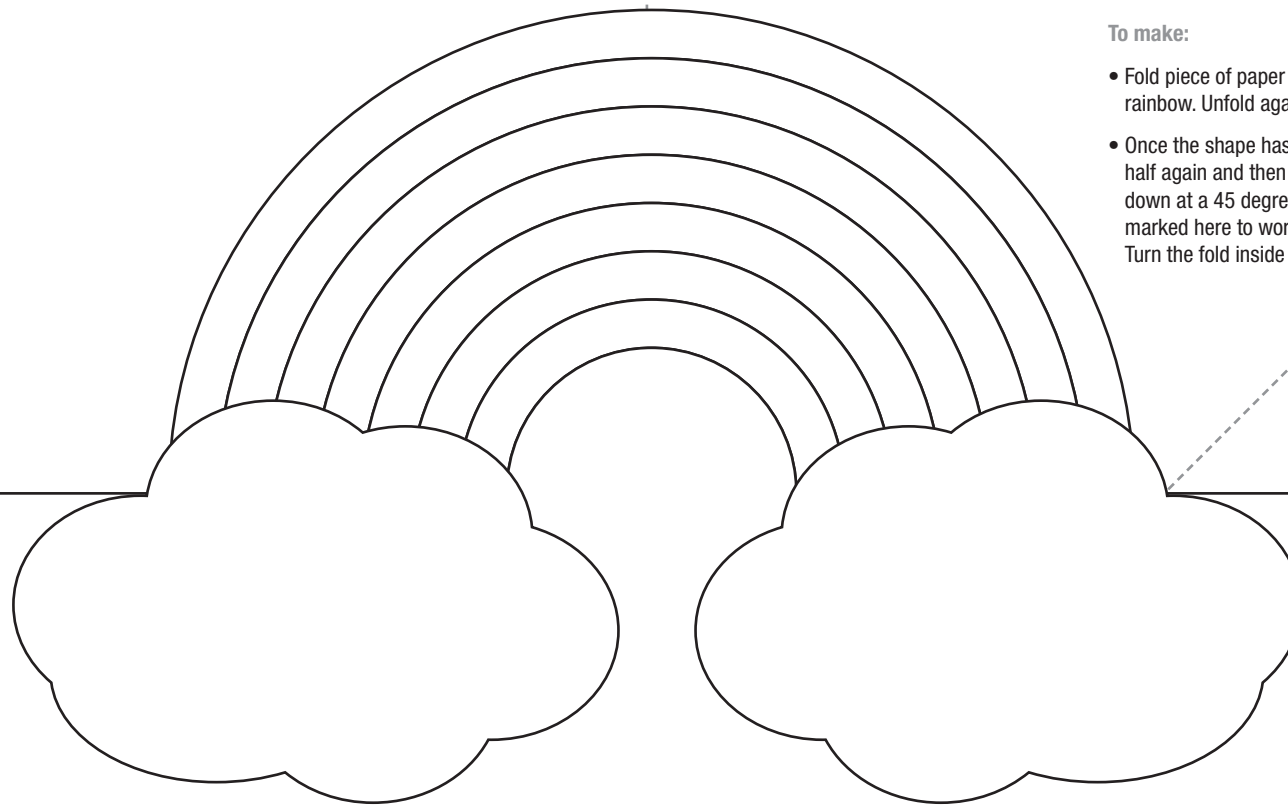

Flower Window Card

- Cut out flower with a pen knife, then cut inner circle from flower to put back in the middle of the flower

Rainbow Pop Up

To make:

- Fold piece of paper in half where marked above rainbow. Unfold again and cut out the shape
- Once the shape has been cut out, fold in half again and then fold the rainbow down at a 45 degree angle as marked here to work the pop-up. Turn the fold inside out.
